October's Selection: *The Sense of an Ending* by Julian Barnes

Overview from BN.com:

This intense novel follows Tony Webster, a middle-aged man, as he contends with a past he never thought much about—until his closest childhood friends return with a vengeance: one of them from the grave, another maddeningly present. Tony thought he left this all behind as he built a life for himself, and his career has provided him with a secure retirement and an amicable relationship with his ex-wife and daughter, who now has a family of her own. But when he is presented with a mysterious legacy, he is forced to revise his estimation of his own nature and place in the world.

Ask Christian County Library staff for help in obtaining a copy of the book. For more information, visit our book club blog at <http://cclreads.blogspot.com>!
