WINTER

Reading Challenge

January 1 - January 31, 2020
Christian County Library is challenging the entire community to read ONE MILLION minutes this January.

Accept the challenge by logging minutes spent reading (or listening to) books throughout the month.

Weekly Prizes for Readers:
Make sure to log your minutes weekly. Every hour read during the week will be entered into a drawing for a $25 Amazon gift card. Winners will be announced on social media on Fridays.

Grand Prize for Libraries:
If the goal of one million minutes read is met, Christian County Library will have a chance to win books, author visits and other prizes from Beanstack and the 2020 Winter Reading Challenge sponsor, Penguin Random House.

STEP BY STEP:
How to Log Your Reading with Beanstack

Using the Beanstack App

Step One: Register your Beanstack account or Sign In

If you're new to Beanstack, download the **Beanstack Tracker App** to your device and create an account for your family.

If you already have a Beanstack account, sign in.

Step Two: Register for the Winter Reading Challenge 2020

Tap **Discover** (Discover) then tap the **Winter Reading Challenge image** to register yourself and/or your child.

Step Three: Log Your Reading

There are many ways to log your reading using the Beanstack app. Here's the quickest, easiest method:

Tap **Add** (+) then **Log Reading**. Tap **Log a Day, Minutes, or Pages Only**. Enter the number of minutes you spent reading or listening to a book then tap **Finish.**

Using Your Computer

Step One: Register your Beanstack account or Sign In
Visit **christiancountylibrary.beanstack.org**

If you're new to Beanstack, click **Register an Individual or Family.**

If you already have a Beanstack account scroll down and click **Sign In**.

Step Two: Register for the Winter Reading Challenge 2020

Click **Programs**, then **Current Programs**, then **Register for This Program**.

Step Three: Log Your Reading

Click **Log Reading** and fill out the form.

Note: only the minutes are required. All other information is optional.
