#### Report of the Executive Director December 2023

#### Administration

- The Christian County Commission voted 2-1 on December 12 to adopt an order implementing SB 190, a property tax credit for seniors. The impacts to our budget are still unknown, but we won't see any impact until at least 2025 and it will likely be gradual after that. There may still be tweaks to the order and the application, but we will continue to monitor. We will also work to provide assistance for those seeking to apply for the credit as the applications will require notarization.
- We will be saying farewell next month to Ozark Branch Manager Jordan Gloyd. She has accepted a branch manager position at the Saint Paul Public Library in Minnesota.
   Jordan has served CCL for 5 years and has helped the library grow and serve the community with excellence during that time.

#### **Buildings & Grounds**

 We have finished off the series of updates to the Ozark facilities with the completion of the drive-up window modifications. Staff report significantly fewer patrons now get out of their vehicles to reach the window.

#### Collection & Services

- We are trying out a new resource and testing a new process. We have promoted a free
  trial of Nkoda, a sheet music database, to our patrons, along with a survey asking for
  feedback on the resource. We will use the survey results to help decide whether to add
  Nkoda but also to determine the effectiveness of a public trial and survey process.
  Databases are notoriously underused in libraries so we want to work towards an
  improved selection process as well as promotion.
- The MOBIUS organization is going through a major change next year with a software migration. The Prospector catalog will not be compatible with the new software so after the first of the year, patrons will no longer have direct access to borrow materials from those Colorado libraries for an indefinite period. We can still request materials from Colorado libraries through the traditional interlibrary loan process. We expect minimal impacts to customer service.

#### **Community Engagement**

 It is now possible to tour all 4 branches virtually. We worked with Midwest Pano to accomplish this and love the end result. This will give the library more visibility in search engine results, and this innovation will help make our branches more accessible and engaging. Visit the Hours/Locations page on the website to check it out.

 The Outreach department has done it again and managed to participate in 5 Christmas parades across the county – including 3 in one day (with a little help from some other departments).

#### **Programs**

 The Clever branch hosted Finger Paint Play Day last month with 18 creative attendees creating fall pictures.

- The vaccine clinics held at Nixa and Ozark in November and early December were well-received, with more than 30 people total taking advantage of the opportunity.
- The Ozark branch partnered with the Missouri Humanities Council to bring Suzanne Michelle Jones in to share Native American stories to a group of 12 people.
- There were 14 patrons in attendance at a presentation by Ozark Elder Law at the Clever branch. They discussed nursing home planning and assets protection.
- A new series of sewing classes has begun and the first session had a great turnout as they learned to create dog bandanas. We purchased a sewing machine to use in the classes and help patrons learn to use it. Leo is our gorgeous model.

The Fall Reading Challenge wrapped up at the end of October with over 500 individuals registered. Nearly 400,000 minutes were reported read and 133 book reviews were submitted. The Pumpkin Spice Season bundle was the most popular prize option – about half of the people eligible for prizes selected that as their desired reward for reading. I'm pretty sure the Pumpkin Spice Squishmallow was what gave that bundle the edge.

#### **Professional Development**

- Director of Youth Services Dana Roberts was able to attend this year's Young Adult Library Services Association Symposium in St. Louis. She attended many great sessions but found one on Al Literacy for Libraries and one called "Libraries and Gateway to Employment: Teen Volunteers as Workforce Development" particularly relevant. The funding for this conference was provided through a grant from MOBIUS.
- I attended the Library Journal Director's Summit in Houston, Texas, last month. This was the best professional development I've experienced since I have been a director. I was able to network with library directors from all over the country and learned from presenters and panelists who have incredible experience and knowledge to share. I also was treated to a tour of the main branch of the Houston Public Library and one of their Mobile Express Technology Labs basically a bookmobile for tech.

#### **Patron Praise**

 Outreach Delivery Assistant Abby Ellingsworth is the talented instructor for the new series of sewing classes. In the inaugural class she shared:

"I thought the class went very well. There was a grandma and granddaughter together and they were both afraid to use the sewing machine, but with some

guidance they quickly gained confidence and were able to finish on their own... I think that everyone else had a good time and were pleased with their project. They were excited about the pillowcase sewing project next month."

 Each year we receive several holiday cards and gifts from patrons. One book club recently sent a greeting card with a donation as well. Here are a few of the lovely comments:

"Thank you for helping to bring great reading friends together!" "Love our library! Thank you."

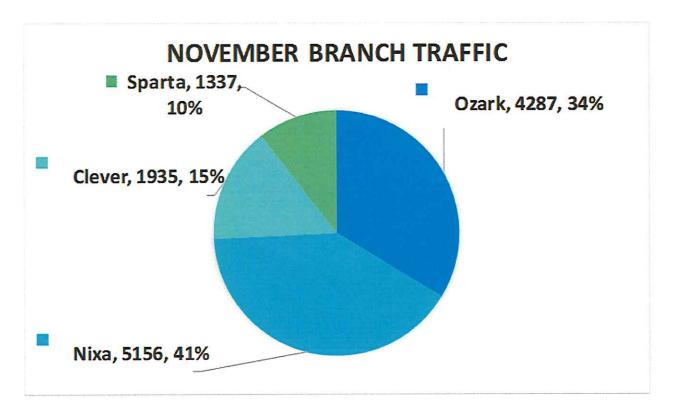

"Thanks for all your help!"

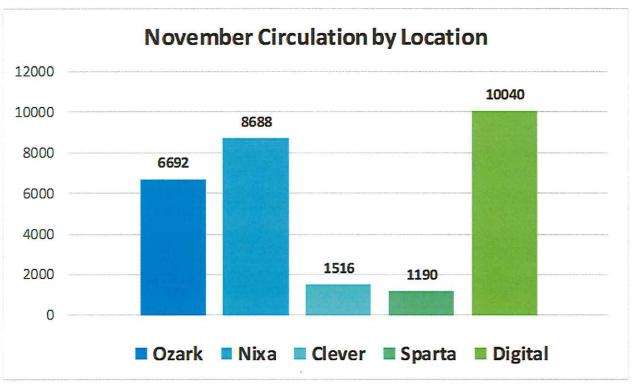

• The Ozark branch staff received a sweet note from a homeschool group last month: "Thank you for accommodating our homeschool co-op on Friday mornings over the last few months. The Netzer and Sondhi rooms have been a blessing to our group. This week concludes our semester. We appreciate your kindness and smiles every week. Thank you!"

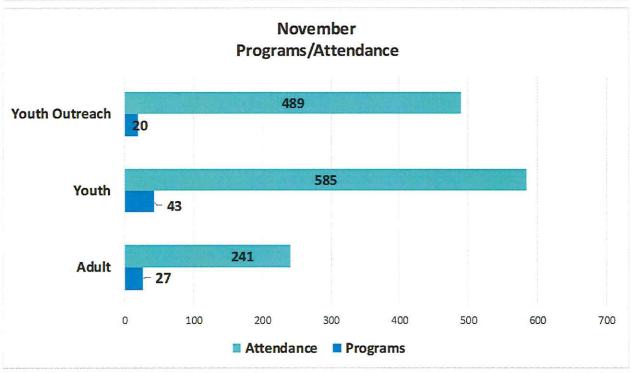

Ozark Library Staff,

Thank you for accommodating our

#### Outreach

# Our mission is to provide equitable delivery of library resources and services for all people living in Christian County.

Broadly, our day-to-day involves delivering materials to those who can't leave their homes, schools, community stops, and attending community events such as parades.

We make 71 service runs a month. They are broken down into schools and daycares, nursing homes and assisted living facilities, and homebound patrons.

So far this year we've delivered 7,600 titles requested by area schools. 800 to daycares.

We visit twelve nursing homes and assisted living facilities every week.

Our checkout numbers for the Homebound program run between 350-390 materials each month. More than 4,500 this year so far.

Outreach also delivers library materials patrons put on hold by patrons to our Community Partner Pick-up Locations including Billings public library, the Double EE Ice Cream and Burger Shoppe in Highlandville, and Kay's Market in Chadwick.

Shared Shelf locations include laundromats, The X Center, The OC, Health Clinics, The Least of These, and more. This year we've already shared over **12,000 books** with these community partners.

### **CCL's Board of Trustees - Officer Roles**

#### Article II: Elections & Appointments

#### Section I.

Officers of Christian County Library's Board of Trustees shall be elected for the following year at the end of each December meeting. Such officers shall be: President, Vice-President, Secretary, and Treasurer.

#### Section II.

The President of Christian County Library's Board of Trustees shall preside at all meetings, appoint special committees as needed, and authorize calls for any special meetings. The President shall not vote unless needed to reach a majority.

#### Section III.

The Vice-President of Christian County Library's Board of Trustees shall assume the duties of the President in the latter's absence.

#### Section IV.

In the absence of both the President and the Vice-President, the members present shall select a President pro tempore by majority vote.

#### Section V.

The Secretary of Christian County Library's Board of Trustees, with assistance from the Library's Executive Director or designee, shall keep a true and accurate account of all Board meeting proceedings and shall share custody of meeting minutes with the Library's Executive Director and designee.

#### Section VI.

The Treasurer of Christian County Library's Board of Trustees shall be the official custodian of all monies of the Library District. The Treasurer of the Board, Executive Director of the Library, and Director of Finance and Business Operations of the Library shall be bonded by a corporate surety. As outlined in the Library's <u>Procurement Policy</u>, checks are required to have two signatures: one from an authorized member of the Board of Trustees (Treasurer or Vice-President) and the other from an authorized member of the Library's Administrative Staff (Executive Director or Director of Development and Strategic Partnerships).
