Magic Library Express & Library Usage in Highlandville Area
2019 circulation stats were presented for the Highlandville drop off and pick up location.

The Magic Library Express locker was used from 2013 to 2018 when it stopped functioning, at which time it was put in storage in Ozark. It was then offered for sale twice on GovDeals.com with no bids, and the Board of Trustees was informed in April of 2019 that Executive Director Godber was having trouble selling it.

In late 2019, Executive Director Godber accidentally gave authorization to remove it from the cramped shed and recycle it without getting final approval to do so from the Board of Trustees. She apologized profusely for not securing affirmative consent to discard, and promised to always do so for any future item(s) whose current value is $3000 or more, per the District’s recently revised Library Property Disposal policy.

The Board of Trustees accepted her apology and agreed to review the policy to clarify and revise as necessary at the March 30th meeting.
