Memorial Display (From Tabled Discussion of “Memorial Display in Honor of George Blaisdell at the Sparta Community Branch”)
Since the discussion at the last Board of Trustees meeting, Trustee Hermann had suggested by email that instead of sponsoring a memorial at the new branches dedicated to any one volunteer, a vigil, display, and/or reception be planned that publicly thanks all the many people and organizations who worked toward the realization of Sparta and Clever Community Branches.

President Barthelette shared news that the Christian County Library Foundation is still deciding what sort of donation to make in George’s honor, but that they all loved Executive Director Godber’s idea to dedicate Sparta’s Shared Shelf to him and sponsor the cost of the shelf for a few years.

After a brief but measured discussion, the Trustees agreed that their role as public administrators and stewards of taxpayer Library funds did not allow them to make a donation in their official capacity. Instead, they urged staff to plan an appropriate way to honor volunteers and donors during the opening of the branches, and encouraged Trustees who want to contribute to George’s memorial at the Sparta Community Branch to do so as individuals.

**New Business**
Executive Director Godber’s Performance Review for 2020
Loretta Hermann moved to convert the already scheduled Tuesday, October 13th secondary meeting of the Board of Trustees at 5:30 p.m. to a Closed Meeting for the purposes of Executive Director Godber’s 2020 performance review, and also to begin the regular monthly meeting on Monday, October 26th one hour early (at 5:00 p.m.) in a Closed Session to discuss their conclusions with her privately. Janis Hagen seconded. All Trustees present were in favor. The motion passed. Roll Call: Trustee Barthelette: Aye; Trustee Hagen: Aye; Trustee Hermann: Aye.

Because of in-person meeting limitations imposed by the pandemic, it was agreed that Director of Development & Strategic Partnerships Tory Pegram would be the sole facilitator for a Zoom meeting for the closed review session on October 13th with the requirement that she mute the sound on her computer after the session was officially closed in order to allow for Trustees to have a private discussion, only participating for the purposes of recording the official opening, closing, reopening, and adjournment of the meeting. Executive Director Godber agreed to circulate the evaluation forms with her employee input already included in coming days, and President Barthelette suggested that each Trustee fill out their initial thoughts on these forms in advance of the meeting to make the remote work of coming to a consensus more expedient.
