Authorize Payment of Final Cost for Bond Holder Search
Though Trustees pre-authorized up to $7,500 to be used in order to release the Fremont property from the 2018 Bond, the actual cost was $8,795.33. Executive Director Brumett has spoken with the Library’s financial advisor and other consultants and has been assured that the costs billed are more than reasonable. Additionally, the $7,500 authorized was before the consultants knew the full extent of the work required to secure release. Though Kutak Rock LLP generously offered to reduce their fee to make up for the unanticipated costs of the Bond search part of the process, Trustees agreed that both entities should be paid fair market value for their work.

Janis Hagen then moved to authorize Executive Director Brumett to pay the extra cost incurred during the bond holder search. Allyson Tuckness seconded. All Trustees present were in favor. The motion passed. Roll Call: Trustee Bishop: Aye; Trustee Hagen: Aye; and Trustee Tuckness: Aye.

President Suarez requested that Executive Director Brumett bring a thank you card to next week’s retreat to send to Kutak Rock LLP for their kind offer.

Foundation Representative from the Board of Trustees for Remainder of 2021
After discussing who would serve as the Foundation liaison from the Board of Trustees and the importance of that role, it was decided that the Trustees will share the responsibility. Matthew will attend the September meeting, Paula the October meeting, and Allyson the November meeting. Representatives at future meetings will be decided at a later date.

Consider Moving to a Consent Agenda Meeting Format for Routine Monthly Business
Executive Director Brumett explained how moving toward a Consent Agenda format for the routine
business of the Trustees could make meetings more efficient and save valuable discussion time for board education, strategic planning, and more substantive discussions.

Janis Hagen moved to adopt a rule of order allowing for the Consent Agenda process. Going forward a consent agenda may be presented at any meeting of Christian County Library’s Board of Trustees by the Presiding Officer at the beginning of a meeting. Items may be removed from the consent agenda on the request of any one member. Items not removed may be adopted by general consent without debate. Removed items may be taken up either immediately after the consent agenda or placed later on the agenda at the discretion of the assembly.

Routine agenda items initially included will be approval of minutes, financial reports, and the Executive Director’s report, though that list is subject to change as needed by consensus of the Board. Allyson Tuckness seconded. All Trustees present were in favor. The motion passed. Roll Call: Trustee Bishop: Aye; Trustee Hagen: Aye; and Trustee Tuckness: Aye.
