***** Notice concerning copyright and other intellectual property restrictions**

The copyright law of the United States (Title 17, United States Code) governs the making of reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a reproduction. One of these specific conditions is that the reproduction is not to be "used for any purpose other than private use, scholarship, or research." If a user makes a request for, or later uses, a reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement. The Christian County Library reserves the right to refuse to accept a 3D print request, if, in its judgment, fulfillment of the order would involve violation of copyright or other intellectual property laws.

BY SUBMITTING A 3D PRINT REQUEST, I acknowledge, represent, and warrant as follows:

I have read, understand, and will comply with the notice posted above.

I grant permission to the Christian County Library and its agents to reproduce reproductions and return them to me, and I have the legal right and authority to grant this permission.

I will use the reproduction only for private study, scholarship, or research.

I will not use the reproduction for any commercial purpose or allow any third party to do so.
