Title: **The Bare Naked Book**

Author: **Kathy Stinson**

Copyright date: **2021**

Publisher/Producer: **Annick Press**

Format (e.g. Book, DVD, Magazine, Pamphlet, etc.): **Book**

What are you requesting the Library to do with this item? **Please move this book from the children's nonfiction section to the adult section of the Library.**

Please describe what content you find objectionable. Be specific, citing page numbers and text when possible.

The book contains pictures of non-sexual nudity and alternate gender ideology throughout its pages. Please see the pictures included.

The title is deceiving, a child could easily pick up the book unaware of the exposure to the ideologies promoted. The images of the individuals with top surgery scars cannot be unseen and could confuse a child. For this reason, this book belongs in the adult sections of the library.

Have you read, viewed, or listened to the entire work?
