There are truly not enough lines on this page to list it

Have you read, viewed, or listened to the entire work?

Yes

No

ail. Please feel free to contact me if you feel a more complete description is necessary.

If not, which parts have you read?

I've read the book in it's  
entirety.

Can you suggest other material to take its place?

No. I don't think books glorifying  
teenage suicide are appropriate in  
the young adult section.

What other comments would you like to make?

This book is absolutely disgusting in the  
way it describes multiple rapes/assaults,  
suicide, teen drinking etc. Glorifies suicide  
as a way to "get the last word" in.

The subject matter is in no way appropriate for
