

Teen/Tween Advisory Board Application

What's the Teen/Tween Advisory Board?

The Teen Advisory Board (TAB) is a group of teens (8th-12th grade) who meet at the library once a month to hang out, eat snacks, and help plan and publicize library services for teens.

The Tween Advisory Board (TWAB) is exactly the same group, but for tweens (4th-7th grade).

To apply, just print this form, fill it out, and hand it to a librarian.
